PARENT ACADEMY

PRESENTED BY MICHAEL DELEON, #1 SCHOOL PRESENTER IN AMERICA

A unique approach to important topics facing our youth today, including vaping, death by fentanyl poisoning, alcohol & drug abuse as well as the dangers of legalized marijuana use. This seminar educates its audience on how to better understand and prevent, as well as educate, our children on making positive, informed choices when it comes to drugs.

What will you learn?

- Information about the latest drug trends
- The signs and symptoms of drug use to watch for
- How to speak with your children on these subjects
- Useful tips and advice on how to better prevent drug and alcohol use from affecting your children.

**Open to all Parents, Guardians,
and Community Members**

Tuesday, August 30 7:00PM-8:15PM -
Columbia High School in the Auditorium at
301 S Happy Valley Blvd Nampa, ID 83687

WHY THIS MATTERS

1 in 4 teens say
they have misused
or abused a
prescription drug.

An average of 6,500
youth (12-17) try
alcohol for the first
time EVERY DAY.

"In the past year,
93,000 people died
of a drug overdose."

Don't miss this
opportunity to get
educated....
